What People Say

Mrs. C. A. Meeker, editor of THE METHODIST WOMAN:

"The Periodical Key arrived on my desk the other day. It is terrific! And that applies to several aspects: the idea, the design, the coverage, the possibilities, the work involved."

J. Martin Bailey, director of circulation for INTERNATIONAL JOURNAL OF RELIGIOUS EDUCATION:

"I want to congratulate you on what I consider to be an important tool of Christian education, because it is as these publications can be used effectively in both formal and informal teaching that they are able to contribute to the success of our educational program."

A theological school librarian:

"Thank you for including us, such indexes are sorely needed."

A Christian education director:

"Both our pastor and I feel that this is something that will be very useful to us, as well as to all of the people of our church. I have many times wished for such an index and am happy to know that someone has taken the task of compiling it."

A librarian (obviously not a Methodist):

"It makes me realize I'm missing something not to know your fine Methodist periodicals."
